Technical Data Sheet

Almond Touch

Hand Soap

Product # 0702

Product Information:

CFIA APPROVED. This pink, premium, viscous, almond-scented hand soap is made from the finest coconut oil emollients that leave hands feeling soft. This silky-smooth formulation lathers instantly and abundantly. It is pH-balanced to ensure mildness on sensitive skin. For specific use in food plants, see directions.

Directions:

This product is ready to use in all types of pump or plunger dispensers in lavatories, office buildings, hotels, schools, factories, and restaurants. Food handlers must rinse their hands with potable water before handling food products.
