Liquid Carpet Cleaner

Product # 0806

Product Information:

This unique chemical blend is designed as a versatile pre-treatment that will loosen and emulsify the most stubborn, ground in soils. It can also be used as a routine maintenance product for surface cleaning with a yarn bonnet or synthetic carpet pad.

Directions:

For large areas, use a pump sprayer for best results. Use 20 mL of product per L of water. Spray liberally onto traffic lane and other spotted areas. Allow to sit for about 3 - 5 minutes before using extractor or shampoo machine. For extremely heavy soils, use 50 mL per L of water. For use with a yarn bonnet, use 20 - 50 mL per L of warm water. Soak bonnet in bucket and wring thoroughly. Buff carpet.

Product Specifications:

State:	Liquid
Colour:	Colourless
Scent:	Butyl
pH:	12.5
Specific Gravity	1.04 g/mL

Packaging

Available in:

12 x 1 L	Box
4 x 4 L	Box
20 L	Pail
205 L	Drum
1000 L	Tote
