Technical Data Sheet

Chloro Det

Liquid mechanical dishwashing detergent

Product # 0223

Product Information:

CFIA APPROVED. This chlorinated liquid machine dish detergent is designed for use in waters of high hardness and in average soil load conditions. With low foam and powerful detergency, this product effectively removes the toughest food particles while the soil suspending and sequestering agents prevent re-deposition. It also contains sodium hypochlorite which aids in the removal of coffee stains. For specific use in food plants, see directions.

Directions:

Add product to electronic feed system directly from shipping container as per manufacturer's recommendations. Usage levels may vary depending on water conditions and soil loads. The recommended concentration range in the wash solution is 0.1 - 0.25%. Food contact surfaces are to be rinsed with potable water before reuse.

Product Specifications:

State:	Liquid
Colour:	Colourless
Scent:	Chlorine
pH:	12.5
Specific Gravity	1.20 g/mL

Packaging

Available in:

12 x 1 L	Box
4 x 4 L	Box
20 L	Pail
205 L	Drum
1000 L	Tote
