Body Wash

Product # 0706

Product Information:

This green, apple scented body wash is designed for use in the shower or bath. It is formulated to clean both hair and skin by utilizing strong emulsifying agents which aid the removal of excess oil and perspiration. This product can be used in standard refillable soap dispensers in fitness clubs, community centres, universities, truck stops, and other similar facilities.

Directions:

Apply product to moistened hair. Massage into scalp. Rinse thoroughly with warm water. As a body wash, squeeze a small amount onto a wash cloth or sponge. Work into a lather, apply, and rinse off.
