Powdered Carpet Cleaner

Product # 0804

### Product Information:

This powdered, concentrated, low-foaming, pH-buffered detergent is designed for use in all hot water extraction and steam cleaning systems. It promotes rapid penetration of dirt, grease, and other soils by providing quick wetting of fibres. This specialized, lemon scented formula enables soil removal, leaving carpets clean and bright.

### Directions:

For hot water extraction, prepare a ready-to-use solution by diluting 30 - 60 mL of product with 20 L of water. A stock solution can be made by dissolving 0.5 kg - 0.75 kg of product in 20 L of hot water.
