# Technical Data Sheet

## Extractor

Carpet Extraction Cleaner

Product # 0801

### Product Information:

This tangerine scented, heavy-duty carpet cleaner is designed for use in hot water extraction equipment. As a result of short contact time with the carpet, this product is tailored to be extremely fast acting. Its unique blend of builders quickly binds and sequesters soils leaving carpets clean and vibrantly bright.

### Directions:

For hot water extraction, use 6 - 23 mL of product per L of water in the solution makeup tank. For use in traffic lanes, dilute 125 mL of product with 1 L of water. Spray a fine mist over traffic lanes prior to cleaning. Shake well before using.

### Product Specifications:

|                  |           |
|------------------|-----------|
| State:           | Liquid    |
| Colour:          | Blue      |
| Scent:           | Tangerine |
| pH:              | 7.0       |
| Specific Gravity | 1.00 g/mL |

### Packaging

Available in:

|          |      |
|----------|------|
| 12 x 1 L | Box  |
| 4 x 4 L  | Box  |
| 20 L     | Pail |
| 205 L    | Drum |
| 1000 L   | Tote |
