Fire Powder

Powdered vehicle wash detergent

Product # 0340

Product Information:

This high performance vehicle wash detergent is designed exclusively for use in heavy industrial applications. When applied and rinsed with a pressure washer, it will cut through the toughest soils without extra agitation (brushing). This product is easy to rinse so you won't waste water during the rinsing stage.

Directions:

Pre-mix 5 Kg of powder in 205L of water. Use this as a stock solution. Start with a 1:80 dilution of the stock solution and adjust according to soil load.
