Fresh & Clean

Laundry detergent for commercial and institutional use

Product # 0128

Product Information:

This liquid laundry detergent provides excellent soil removal and is economical to use. It is ideal for top loading machines where ease of application is required. This laundry detergent can be used in conjunction with dispensing systems. A pleasant fragrance gives fabrics a lasting freshness.

Directions:

1. Sort laundry prior to wash. 2. Pre-soak and/or pre-spot laundry when necessary. 3. Place proper amount of soiled linen into laundry machine. 4. During the wash cycle, feed product directly from shipping container. 5. For manual feed, use 90 - 120 mL of detergent per load. If soils are heavy, more detergent may be needed. NOTE: Concentrations may vary due to environmental conditions and load size.

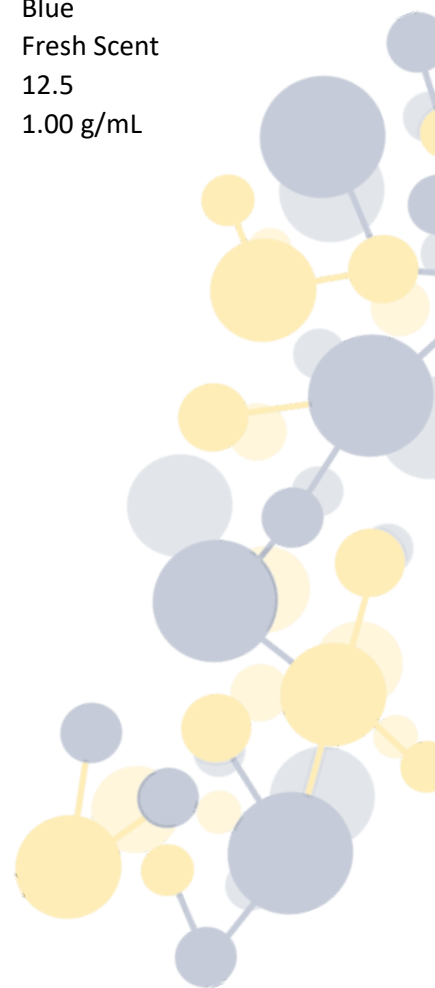

Product Specifications:

State:	Liquid
