Low foam cleaner

Product # 0250

Product Information:

This product is a highly concentrated, phosphate free, alkaline low foam cleaner. It is designed to remove tough oils and greases while producing very little foam. This product is suitable for cleaning closed systems or systems with high agitation. For use in food plants, see directions.

Directions:

The recommended starting dilution rate is 1:150. Adjust according to soil level. Never add water directly to this product. Always add this product to water. Adding this product to water can generate heat. This product is highly corrosive. Ensure that PPE is worn at all times when handling. Food contact surfaces must be rinsed with potable water before reuse.

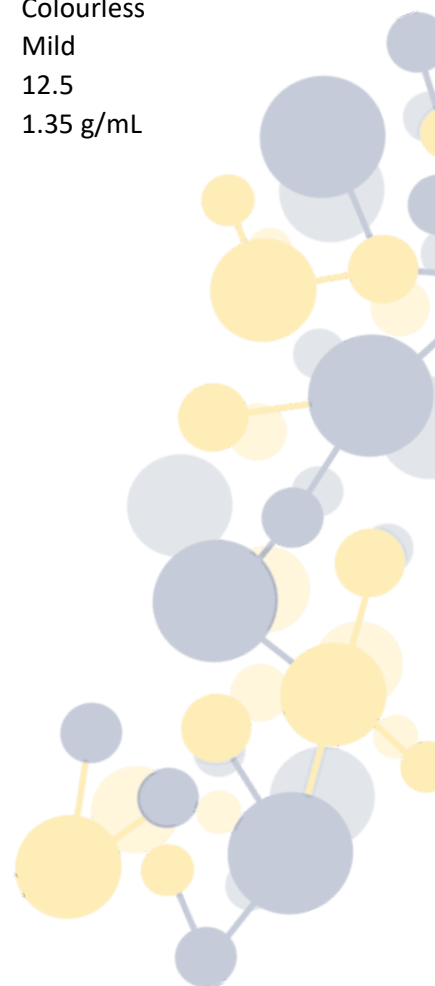

Product Specifications:

State:	Liquid
Colour:	Colourless
Scent:	Mild
pH:	12.5
Specific Gravity	1.35 g/mL

Packaging

Available in:

12 x 1 L	Box
4 x 4 L	Box
20 L	Pail
205 L	Drum
1000 L	Tote
