## Liquid Magic

Laundry detergent for commercial and institutional use

Product # 0129

### **Product Information:**

This top quality, high performance laundry detergent and stain remover is built to handle the worst soil conditions. It is very effective at cleaning aprons, towels, work clothing, sheets and table linens. Exceptional washing and rinsing action is promoted in either high or low temperature laundry cycles. A pleasant fragrance gives fabrics a lasting freshness.

### **Directions:**

1. Sort laundry prior to wash. 2. Pre-soak and/or pre-spot laundry when necessary. 3. Place proper amount of soiled linen into laundry machine. 4. During the wash cycle, feed detergent directly from shipping container. 5. For manual feed, use 30 - 60 mL per load. If soils are heavy, more detergent may be needed. NOTE: Concentrations may vary due to environmental conditions and load size.
