Technical Data Sheet

Multi Shine

Streak-Free Cleaner

Product # 0685

Product Information:

Multi-Shine uses the latest in surfactant technology to provide hard-surface cleaning with a streak-free finish. Multi-Shine is neutral in pH and perfect for high shine surfaces such as glass, ceramic, metal and gloss paint. It will also clean low shine surfaces which makes it a perfect option for cleaning jobs, like auto detailing, with many different surface types.

Product Information:

Multi-Shine is ready to use in the bottle. For light duty cleaning, just spray or wipe directly on to the surface to be cleaned and remove with a clean cloth or squeegee. Multi-Shine is also available in a concentrate.

Product Specifications:

State:	Liquid
Colour:	Colourless
Scent:	Mild
pH:	7.0
Specific Gravity	1.00 g/mL

Packaging

Available in:

12 x 1 L	Box
4 x 4 L	Box
20 L	Pail
205 L	Drum
1000 L	Tote
