# Technical Data Sheet

## NBC Concentrate

Industrial Degreaser

Product # 0607

### Product Information:

CFIA APPROVED. This non-butyl, lemon scented, general purpose cleaner / degreaser can be used for all general cleaning tasks. This product is an economical and easy to use liquid that will quickly clean greasy soils, grime, and everyday dirt. It is also an excellent detergent for pressure spray cleaning applications and is ideal for cleaning hood fans and greasy rags. For specific use in food plants, see directions.

### Directions:

For most cleaning and degreasing operations, a solution of 1 part product to 15- 20 parts water can be applied by mopping or spraying directly onto surface. Stronger solutions can be used to increase the cleaning power. This product can be used in pressure or steam washers at a ratio of 1 part product to 75 parts water. Food contact surfaces are to be rinsed with potable water before reuse.
