Powdered laundry detergent for commercial and institutional use

Product # 0113

Product Information:

CFIA APPROVED. This highly alkaline, high performance laundry compound is formulated for use in laundries as a break and soap builder. It has great saponification and emulsification properties making it the right choice for cleaning overalls, greasy clothes, wiping rags, and similar heavily soiled items. For specific use in food plants, see directions.

Directions:

1. Sort laundry prior to wash. 2. Pre-soak and/or pre-spot laundry when necessary. 3. Place proper amount of soiled linen into laundry machine. 4. For wash cycle, use 60 - 90 g of product per 25 kg load. If soils are heavy, more detergent may be needed. NOTE: Concentrations may vary due to environmental conditions and load size. Not for use on direct food contact items.

Product Specifications:

State:	Powder
Colour:	White
Scent:	Butyl
pH (1%):	11.5 - 12.5
Density	1.03 g/mL
Cloud point (1%):	45°C
Foam (1%)	200 mL

Packaging

Available in:

10 Kg	Box
20 Kg	Box
50 Kg	Box
