Technical Data Sheet

Oxy Scrub Powder

Presoak for utensils

Product # 0219

Product Information:

CFIA APPROVED. This stain remover is designed for plastic, china, stainless steel, and all kitchenware. Its rapid wetting action penetrates into pores of tableware and releases powerful oxygen stain removing agents. It is very effective on coffee, tea, and other food stains. For specific use in food plants, see directions.

Directions:

Use 30 - 45 g of product per 4 L of hot water. For utensils, immerse completely in solution and soak until food stains disappear. Rinse thoroughly with water and sanitize. For coffee and tea making units, pour solution into machine as if to start normal operation. Run through regular cycle, brush sight-glasses, faucets, spouts, and crevices. Drain, rinse well, and sanitize. Food contact surfaces must be rinsed with potable water before reuse.

Product Specifications:

State:	Powder
Colour:	White
Scent:	Odourless
pH:	12.5
Specific Gravity	1.05 g/mL

Packaging

Available in:

10 Kg	Box
20 Kg	Box
50 Kg	Box
