# Technical Data Sheet

## Protocol K-751

Hand Soap

Product # K-751

### Product Information:

ENVIRONMENTALLY FRIENDLY. CFIA APPROVED. This ultra-mild hand soap, made from coconut oil emollients, leaves hands clean and feeling soft. This specialized formula is VOC-free and uses readily biodegradable surfactants. This product is almond scented and pH balanced for sensitive skin. It is designed to be used in schools, restaurants, shops, public facilities, and offices. For specific use in food plants, see directions.

### Directions:

This product is ready to use in all types of liquid soap dispensers. Food handlers must rinse their hands with potable water before handling food products.
