Powdered chlorinated dish detergent

Product # 0245

Product Information:

CFIA APPROVED. This powdered chlorinated dishwashing detergent is specially formulated for economical use in low to medium water hardness. It is recommended for use in institutions such as schools, nursing homes, hospitals, and restaurants. This product also exhibits exceptional stain control, protein soil removal, and rinses away easily. For specific use in food plants, see directions.

Directions:

Add product to feed system as per manufacturer's recommendations. Quantity required may vary depending on water conditions and soil loads. The recommended concentration range of product in the wash solution is 1 - 2.5 g per L (0.1 - 0.25 %). Food contact surfaces must be rinsed with potable water before reuse.

Product Specifications:

State:	Powder
Colour:	White
Scent:	Chlorine
pH:	13.0
Specific Gravity	1.03 g/mL

Packaging

Available in:

10 Kg	Box
20 Kg	Box
50 Kg	Box
