Target HF

High Foaming Car Wash

Product # 0304

Product Information:

This high foaming, cherry scented liquid car and truck wash detergent is a complex formulation of surfactants and detergent builders that safely and effectively removes dirt, oil, road grime, and haze. It produces rich foam that adheres to all types of surfaces thereby aiding in the removal of the toughest soils.

Directions:

For most pressure washer applications, use a dilution ratio 1 part product to 100 parts water. Use this ratio as a starting point to determine what feed ratio will produce the desired cleaning. Dilutions may vary depending on water conditions and the nature of the soil.

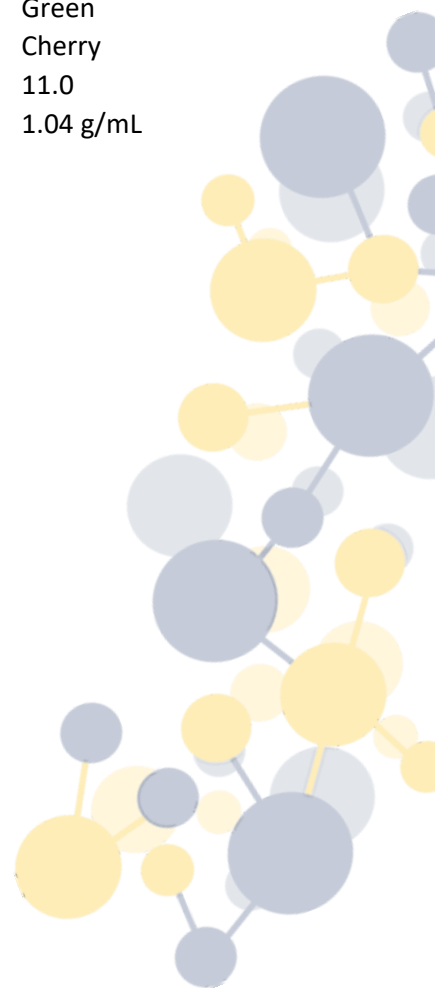

Product Specifications:

State:	Liquid
Colour:	Green
Scent:	Cherry
pH:	11.0
Specific Gravity	1.04 g/mL

Packaging

Available in:

12 x 1 L	Box
4 x 4 L	Box
20 L	Pail
205 L	Drum
1000 L	Tote
