# Technical Data Sheet

## Triphase

Industrial degreaser

Product # 0516

### Product Information:

CFIA APPROVED. This highly alkaline, concentrated water based degreaser is specially designed for fast and effective removal of grease, oil, and dirt while sanitizing. It contains a unique blend of surfactants and powerful grease cutting agents that quickly penetrate and emulsify grease and oil from any surface. This product may be used in a broad spectrum of applications in various industries, including restaurants, garages, factories, industrial shops, and warehouses. For specific use in food plants see, directions.

### Directions:

For heavy-duty cleaning, dilute 1 part product to 20 parts water. For general cleaning, dilute 1 part product to 100 parts water. For pressure washing, dilute 1 part product to 200 parts water. Spray or wipe onto surface and rinse completely with water. To sanitize, dilute 1 part product to 20 parts water. Food contact surfaces must be rinsed with potable water before reuse.

### Product Specifications:

State:	Liquid
Colour:	Red
Scent:	Lemon
pH:	12.5
Specific Gravity	1.06 g/mL

### Packaging

Available in:

12 x 1L	Box
4 x 4 L	Box
20 L	Pail
205 L	Drum
1000 L	Tote
