## Vision RTU | Glass Cleaner

This non-ammoniated, ready to use glass cleaner is designed for fast and thorough cleaning of all glass surfaces. It is excellent for mirrors, glass doors, counters and vending machines. This product removes soils without smudging or smearing.

✓READY TO USE ✓NON-AMMONIATED ✓ALL GLASS SURFACES

## FLOOR CARE

### K-300i | Cleaner/Degreaser

Protocol K-300i is a concentrated, Ecologo approved and GRA endorsed all purpose cleaner designed to quickly penetrate dirt, oil, grease, pigments, and other everyday soils. As a daily floor cleaner K300i can be applied through an automatic scrubber or via damp mopping. At a higher concentration, K300i can be used effectively in deep scrubbing applications or as a preparation step before floor finishing.

✓CONCENTRATED ✓MULTI-SURFACE ✓DAILY FLOOR CLEANING  
✓SPOT CLEANING

### K-400 | Neutral Floor Cleaner

Protocol K-400 is an Ecologo certified, pH neutral floor cleaner that utilizes a biodegradable, naturally derived surfactant system. This concentrated product efficiently removes black marks and day-to-day soils without damaging existing floor finishes.

✓CONCENTRATED ✓NEUTRAL pH ✓EASY ON FLOOR FINISH

## K-451 | Floor Finish

Protocol K-451 is a superior floor finish that meets all environmental standards while providing maximum protection and durability to newly stripped floors. A high solids content allows for fewer applications of K-451 compared to most floor finishes and shorter wait times between coats (20 mins). This product was designed with the end user in mind and will not produce strong odours like floor finishes of the past.

✓LOW ODOUR ✓HIGH SOLIDS CONTENT ✓QUICK RECOAT ABILITY

## Formula 2000 | Wax Stripper

This mop on mop off non-ammoniated heavy duty floor finish remover contains a blend of active solvents and emulsifiers that quickly penetrate and strip old wax and floor finish in manual or mechanical stripping applications.

✓NON-AMMONIATED ✓MULTI-SURFACE STRIPPER ✓HEAVY DUTY

## Extraction Cleaner

### Carpet Extraction Cleaner

This tangerine scented, heavy-duty carpet cleaner is designed for use in hot water extraction equipment. Due to the restricted contact time permitted by extraction cleaning this product is tailored to be extremely fast acting while leaving carpets clean, vibrant and bright.

✓TANGERINE SCENTED ✓FAST ACTING ✓EXTRACTION CLEANING

## De-Foamer

### Extractor & Auto Scrubber De-Foamer

This liquid de-foaming agent is designed to keep foam from building up in the recovery tanks of carpet extractors and automatic scrubbing machines. This de-foamer is compatible with all carpet extraction and auto scrubbing machines.

✓CARPET EXTRACTORS ✓AUTO SCRUBBERS

# WASHROOM CLEANING

## K-650 | Calcium, Rust & Lime Remover

Protocol K-650 is an Ecologo certified and GRA endorsed tub, tile and grout cleaner. Formulated with organic salts, K-650 is designed to quickly penetrate dirt, oil, grease, calcium, lime, rust and other everyday soils. K-650 is particularly effective on stone surfaces and any surface that interacts with water on a regular basis, making this a perfect product for kitchen and washroom environments.

✓READY TO USE ✓MULTI-SURFACE ✓WASHROOMS  
✓STONE ✓STAINLESS STEEL

## K-651

### Heavy Duty Calcium, Rust & Lime Remover

Protocol K-651 is a heavy duty tub, tile, and grout cleaner made from an organic salt/surfactant blend designed to quickly penetrate dirt, oil, grease, calcium carbonate, lime, rust, and other everyday soils. K-651 is safe to use on any surface but must be thoroughly rinsed from all surfaces after use.

✓READY TO USE ✓HEAVY DUTY ✓MULTI-SURFACE  
✓TILE ✓STONE ✓GROUT

## K-671 | Toilet Bowl Cleaner

Protocol K-671 is a low pH toilet bowl and urinal cleaner made from an organic salt surfactant blend, designed to quickly penetrate urine, calcium, lime, rust, and other toilet bowl soils. This unique blend of organic surfactants and organic salts performs exceptionally well and is an ideal choice for applications where personnel safety may be at risk and environmental impact is a concern.

✓READY TO USE ✓LOW pH ✓TOILETS ✓URINALS  
✓ORGANIC SALT BASED

## Pro Bowl | Toilet Bowl Cleaner

This powerful 24% hydrochloric acid based cleaner is designed for routine cleaning of ceramic toilet bowls and urinals only. It effectively removes heavy lime, rust, scum and common organic soils that are commonly present. This product controls odour by removing lime and mineral film which can clog flush or spray openings.

✓READY TO USE ✓LOW pH ✓CERAMIC TOILETS ✓CERAMIC URINALS
